

Instalação Cubas de sobrepor Vitra e Vitrum

Installation Vitra and Vitrum Inset Sinks / Instalación Fregaderos de empotrar Vitra y Vitrum

TRAMONTINA

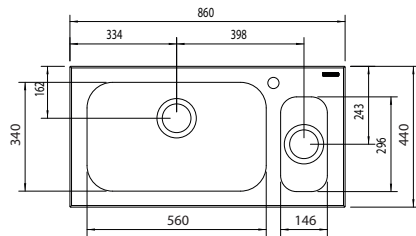

*A não utilização da arruela de nylon (ou suporte de fixação juntamente com a arruela de vedação para os itens Arko Plus e Monde Plus) na instalação do misturador ou torneira acarretará na perda da garantia.
*Not using the nylon washer (or mounting bracket together with the sealing ring for the items Arko Plus and Monde Plus) when installing the mixing or regular faucet will void the warranty.
*La no utilización de la arandela de nylon (o soporte de fijación, junto con la junta para los artículos Arko Plus y Monde Plus) en la instalación del mezclador o canilla acarretará la pérdida de la garantía.

ATENÇÃO!
Não recomenda-se o uso de misturadores estilo "gourmet" nas cubas de sobrepor Vitra/Vitrum.
ATTENTION!
Gourmet mixer faucets are not recommended with any model of the Vitra / Vitrum inset sinks.
ATENCIÓN!
No se recomienda usar mezcladores estilo "gourmet" con los fregaderos de empotrar Vitra/Vitrum.
