Have you heard about Tramontina's garbage bags?

They were developed exclusively for Tramontina trash bins, according to the liter capacity of each model. They are resistant and have a handle for closing and transport.

On your Tramontina trash bin, under the lid, you can find the letter of the ideal bag size to be used.

*Illustrative image.

Trash bin Brasil Plus

TRAMONTINA

Hole that makes it possible to hold the garbage bag (5 L, 12 L, 20 L and 30 L).

Internal mechanism in steel for resistance and durability.

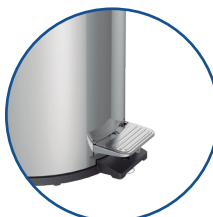

Removable plastic bucket with anatomic handle (12 L, 20 L and 30 L).

Suction cups on the base to prevent trash bin from moving when the pedal is pushed.

Metallic handle - assists in the transport.

Pedal entirely in stainless steel.

Raised stamped cover.

Soft close lid.
