— 5 - 10 L

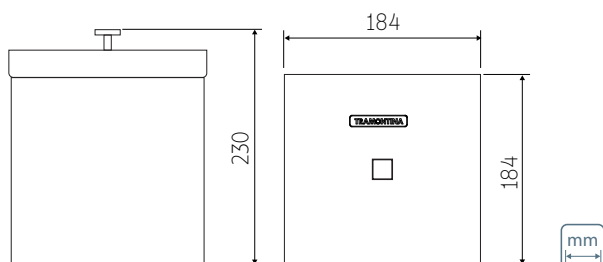

Have you heard about Tramontina's trash bags?

They were developed exclusively for Tramontina waste bins, according to the liter capacity of each model. They are resistant and have a handle for closing and transport.

On your Tramontina waste bin, under the lid, you can find the letter of the ideal bag size to be used.
Illustrative image.

And on the packaging of the Tramontina trash bag, look for the corresponding letter.
